I love this book and can relate

By Amazon Customer

I bought this book the other day. It is a wonderful book and very well written. I have 2 dogs of my own and I can relate to what this book says because I have gone through some of the things myself. It is worth buying especially if you are thinking of getting a dog for the first time. I highly recommend getting this book whether you are thinking of getting a dog or already have some dogs.

Must read for anyone considering getting a dog!

By Vicki Becker

Nancylin Spencer has done a wonderful job in her book 21 facts about dog care for the new dog owner. I especially liked that she asking you to consider getting a dog from a rescue or shelter.

She also explains what puppy mills are and why you shouldn't buy a dog from them. The author has given lots of helpful advice in her book and I recommend it to anyone who is wanting to get a dog. I learned some things I didn't know and found the book very useful.
