When you are looking for the printed book Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk of this title in the book store, you could not discover it. The troubles can be the restricted versions Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk that are given up guide establishment.

Review

"Beginner's Ukrainian is an excellent textbook that emphasizes learning to communicate through interaction. It helps students to quickly achieve the first level of understanding Ukrainian, maintain a consistent pace in learning, simplify the process of language acquisition, and start thinking in Ukrainian and communicate better in that language. I strongly recommend the use of this valuable textbook in the North American classroom." --Journal of Ukrainian Studies, 2014

About the Author

Yuri Shevchuk holds a Ph.D. in Germanic philology from Kyiv State University and taught Ukrainian at the Harvard Summer School from 1990-2010. He has been a lecturer of Ukrainian language and culture at Columbia University for over 10 years.

It will not take more time to purchase this *Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk* It will not take more money to print this e-book *Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk* Nowadays, individuals have been so clever to make use of the modern technology. Why do not you use your gizmo or other device to conserve this downloaded and install soft documents book *Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk* Through this will let you to constantly be gone along with by this e-book *Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk* Obviously, it will be the most effective buddy if you read this publication *Beginner's Ukrainian With Interactive Online Workbook (Ukrainian Edition) By Yuri Shevchuk* until completed.

BEGINNER'S UKRAINIAN WITH INTERACTIVE ONLINE WORKBOOK (UKRAINIAN EDITION) BY YURI SHEVCHUK PDF

This beginner's textbook with an interactive website offers an easy, effective, and fun way to learn Ukrainian!

The second edition has been updated with new exercises, grammar lessons, photographs and illustrations. Based on the author's 12 years of teaching at Columbia University, priority is given to developing conversational skills while providing students with a solid grammar foundation.

- 15 useful lessons, covering everyday situations such as meeting people, traveling, shopping, and meals
- An interactive website featuring audio dialogues and exercises recorded using native speakers
- Useful cultural and grammatical notes; appendices of critical information, including declension tables, noun endings, common Ukrainian names, numbers, verb conjugations and more
- Ukrainian-English/ English-Ukrainian dictionary of words used in the book

The book's companion website offers a wealth of interactive conversational, grammar, and phonetic drills designed for use by both independent and instructor-led learners.

Your best choice for learning Ukrainian

By M. Zabka

I have been using this textbook to learn as much Ukrainian as possible before I go there this summer. As far as I can tell, this is the best Ukrainian textbook out there. Each chapter introduces a new grammar concept and then tests the students with tons of exercises. These exercises are exactly what a beginner needs in order to test himself. The website that goes along with the textbook includes the solutions to the exercises, as well as audio for most exercises, making the book excellent for self-learning. If this book were a Spanish, French or German textbook, the book would be sold for \$150, the author would be rich and the students poor. Instead, the book is \$30 and if you're interested in learning Ukrainian, you'd be silly not to buy it.

To compare, I have also used the other main Ukrainian textbook: Complete Ukrainian with Two Audio CDs. It is okay, but it doesn't have nearly enough exercises or audio for a student to test his understanding of the language.

The good:

The exercises are excellent.

The grammar tables at the end of the book are very helpful.

A Ukrainian - English/ English - Ukrainian dictionary is contained at the end of the textbook.

The online audio has hours and hours of people speaking Ukrainian to go along with the exercises.

And exercise key is included on the textbook's website, so a student can check whether he understands the material.

The not so good:

1 The order of in which grammar is introduced seems a little strange to me. Perhaps this ordering is necessary because Ukrainian is a very complex language for English speakers, but it was something that I found strange. Two examples:

A1. The past tense is introduced before the present tense, so a student learns many verbs -- thinking he's mastered them -- and then, when the present tense is introduced, the student must go back to those verbs and learn their present-tense conjugation pattern. This was frustrating for me.

A2. The singular and plural of different cases are learned in different chapters. If you want to learn how to say, "I hear my grandmother", go to Chapter 7, but if you want to learn how to say, "I hear my grandmothers", sorry, you have to wait until Chapter 14. Again, this may be necessary because of the complexity of Ukrainian grammar, so it's hard to blame the book.

2. The the voice of the person who introduces the exercises on the audio (I assume this is the author) is louder than the people who actually speak Ukrainian in the recording. I like to listen to and practice the audio while running. After Exercise 6.1 finishes, a new voice screams into my ears EXERCISE 6.2. SAY AND WRITE THE SENTENCES IN UKRAINIAN. Maybe I'm being too critical, but I figure I should mention this.

3. Some of the audio doesn't match the exercises exactly.

4. There isn't a sequel! Somebody needs to write an intermediate Ukrainian textbook -- I hope Dr. Shevchuk is the person to do it!

Good program

By Georgia Dj.

This is the best program for learning Ukrainian that I have found! Ukrainian is a very complex language - so no program will be easy or painless, but of all I've tried this one is the most complete. I have to go over the lessons a few times to be able to keep up with the speed of the audio - but once I do, I have it.

Good Ukrainian textbook

By Michael Adams

By far one of the best books to learn Ukrainian with FREE audio on the book's webpage given inside of the book. The passages are lively and fun to read and listen to.
