BUSINESS LAW FOR ENTREPRENEURS.: A LEGAL GUIDE TO DOING BUSINESS IN THE UNITED STATES. BY EKATERINA MOURATOVA PDF

This book is an essential resource for everyone involved in business transactions and operations. It is a useful assistant to entrepreneurs, business owners, managers, and other professionals. Business law governs all commercial activities, and businesspeople deal with it on a daily basis, even when they do not realize it. Entrepreneurs and managers should be familiar with the applicable statutes and regulations in order to make calculated decisions rather than uneducated guesses and costly mistakes. Business Law for Entrepreneurs was written to serve as a reference guide during the start-up stage of the business as well as during the further functioning of the company. The book covers a broad range of subjects that are applicable to various industries. Readers can refer to specific chapters when and if a need for particular information arises during their business operations. The book provides necessary information, explanations, examples, and practical solutions. It does not overwhelm with jargon, legalese, or extremely technical details. Straightforward presentation of the material makes this book easily understandable to people of different educational and professional backgrounds. The author, Ekaterina Mouratova, Esq. holds law degrees from Pyatigorsk State Technological University (Russia) and Pace University School of Law (New York, USA). Before becoming an attorney, Ekaterina was a business owner and a CEO of a public corporation. Now, she uses her extensive legal and business experience to provide guidance to domestic and international entrepreneurs, helping them to accomplish their business goals smoothly and expeditiously.

Very resourceful, an easy read!

By miles d thomas

The book is off the chain as we say. It is a very useful because of it's resourcefulness. It is compact in size, easy to carry with ya. Just like having a business lawyer with you at all times. Would recommend this book to the small business entrepreneurs out there. A good way to keep lawyer cost down, and a way to prevent potential litigation issues from arising. Well worth the purchase so far.
