El lobo negro de Caperucita Verde, el lobo que acecha desde el coche a Caperucita Amarilla y el lobo marino de Caperucita Azul tampoco consiguen nada frente a esas ninas espabiladas que cuentan con tan buenos amigos. Y el lobo de Caperucita Blanca tiene tantas dificultades... Infantil de 6 a 9 anos

Un libro fantastico

By Marie Ann Miller

I purchased this book to use with my 3rd and 4th grade bilingual students. I had a copy of the book at the previous school I taught at, but I couldn't bring it with me. I was pleased to find it so quickly and for such a good price through Amazon Marketplace. The story is fantastic. It takes a look at what Caperucita would be like in different settings, and describes the different colored settings very well. This book would be great from 2nd grade all the way to adult! I recommend. Who doesn't love a Caperucita story?
