An amazing guide to living life to the fullest!

By Vickie L. Lyon

I've read the book through once, not able to put it down, and am now going through it again. The ideas presented by the author make sense, in ways that didn't make sense to me before. She's written this so that it can be understood and implemented by all of us. If you read only one book this year, 'Do Greater Things' should be it! I'm getting a copy for each of my family members and friends. Together, we CAN 'Do Greater Things.'

Well-traveled Spiritual Wisdom

By Amazon Customer

Felicia is 25 years into the post-Christian journey and yet a deep love and respect for Jesus remains. Her love for "god" is intimate and heart-felt. She is void of bitterness or malice toward her Catholic history. If your journey has taken you outside of organized Christianity and yet you want to know if it's possible to still follow Jesus without the weird stuff, Searcy's voice is one of the sweetest, most mature, tranquil beacons you'll find in America today, leading the way to the "Way-shower". Here you will find permission to reject dogma, love people, love yourself, follow Jesus and even "do greater things!"
