The Eyes Have It

By Kimberly Sons

"Eye Contact Training" is a great guide not just for men but for women too. There are so many great tips on eye contact and how to use it to optimize your sexiness quotient and use it to your advantage! The sparkle in your eyes can really be enticing and inviting. Why not let your windows to the soul work for you to put a little magic in your game?

A book with everything good in it

By Matthew Jackson

I never knew that my eyes can be that impressive to use. A book with everything good in it. What I was impressed of, is that the way it is written. The tone is convincing and casual, yet shows you so many things that you never think of looking at. I am already feeling confident for my next date.
