He's Done It Again!

By Pastor Hale

Roberts Liardon has done it again. Masterpiece! The lives of these men and women would be lost if not they had been brought to a new generation to ignite faith in the hearts of those who want to do a work for God. Most of these men and women I have never heard of before, now I do. I have bought all of Liardon's books and never have been disappointed. You will be blessed to read the lives of those who blazed the trail before us. They are a great cloud of witnesses!

Excellent reading for the church history enthusiasts.

I highly recommend this book. Captivating accounts of some remarkable people whose lives were dedicated to Christ and His service to lost humanity. These imported not only their generation but multiplied thousands since and those yet to come.
