HEADS UP FOR ANYONE LOOKING TO PURCHASE THIS BOOK !!!

By George

Hello world , I just want to say that if you've enjoyed the " Justice League " animated television series and want to learn how to draw your favorite character from the DC Universe then this book should be added to your library collection !!!

However , not to put this book down but I must confess that this book could have added some more things to make it even better , for example : Turnaround Sheets , Character Attitudes , Facial Expressions. The step - by - step drawing examples that are given in this book are very basic at best , all characters in this book get one pose each which you get a five step breakdown on how to draw them.

Oh and here's a great tip for all of you out there , if you're interested in collecting the entire set of this book series and I do mean :

1. HOW TO DRAW BATMAN AND HIS FRIENDS AND FOES

2. HOW TO DRAW SUPERMAN AND HIS FRIENDS AND FOES
3. HOW TO DRAW WONDER WOMAN , GREEN LANTERN AND OTHER DC SUPER HEROES
4. HOW TO DRAW THE JOKER , LEX LUTHOR AND OTHER DC SUPER - VILLAINS

Just cut to the chase and purchase this book " HOW TO DRAW BATMAN , SUPERMAN , AND OTHER DC SUPER HEROES AND VILLAINS " because all of the information and drawing examples from the other books are crammed into this one.
