MANIFEST PRESENCE BY DON NORI PDF

There is only one hiding place, one place of true covering and security - the Manifest Presence of God. Your religion will not protect you. Your doctrines will not deliver you from evil. Your denomination will not save you. Your degree will not heal you. The Scriptures and history have proven time and again the Manifest Presence of the Lord is our only hiding place, our only deliverer, our only healer. As King David found, "The Always-Present One is my Rock, my place of safety, and my Savior. My God is my Rock. I can run to Him for safety. He is my Shield and my Saving Strength, The Always-Present One is my High Tower (Ps. 18:2 PEB)

Practical Guidelines for Experiencing God's Presence

By Richard R. Blake

"Manifest Presence" is written for those eager to exchange complacency for passion, carnality for purity, emptiness for overflowing, and detachment for intimacy.

Nori's writing conveys a message that resonates with intimacy toward a God who wants to communicate with His people. Nori shows how God's manifest presence transforms men facing evil strongholds and fear into mighty men of anointing and power through surrender and obedience, overcoming this world's distractions. He describes a God who is concerned and connected and provides tangible practical ways to express response to His love. I was impressed with the eternal significance of God's plan for me to experience the fullness of an abiding relationship with Jesus.

I found the "Presence Ponderings" to be an enriching experience of reflection and meditation. These interactive statements and questions included Old Testament Examples from the past, present day possibilities, and prophetic insights into end-time expectations. Nori challenges the reader to change the emphasis from God's omnipresence to His manifest (abiding) presence.

Don Nori has worked over twenty five years in publishing and international ministry and has earned the confidence and respect of Christian leaders from around the world and people of all nationalities. His personal testimony attests to the veracity of the material contained within the pages of this book. "Manifest Presence" is written with penetrating appeal. Don's writing is clear and direct. He stirs the reader to involvement through this powerful and personally engaging message.

presence

By Dottie Miley

What a powerful book about Gods Presence. The things that the Lord will be doing in the last day Church will far exceed what happened in the early Church. We will have boldness like never before to be great witnesses for Him. God wants to walk with us so that we will experience His Presence.
