Full novella- No cliffhanger!

Going to her best friend's wedding was bittersweet. Rachel was happy to see her closest companion taking the next step in life, but deep down she was envious of the love that Sam and Franco shared. She had always thought that they'd get married at the same time, but no one could ever hold her interest long enough...

Except for him. Her best friend's sexy brother, and the one man that was totally off-limits.

Not only was he a billionaire who had women falling head-over-heels for him daily, Sam would never approve of her closest friend dating a member of the family. She had no choice but to keep her feelings a secret or risk ruining their friendship.

But there was something in his emerald eyes, the way they pierced into her during the wedding ceremony, the way they lingered a little too long. Was he trying to tell her something? Would it be wrong to have just one... little... taste?

Cute

By Beth Crader

This is a cute and adorable read. She's in Italy for her best friend's wedding and is face to face with her friend's brother who she has been in love with since she was 14. Because he's a billionaire who has women falling over themselves to get to him and because he's her best friend's brother he is off limits. But he doesn't believe that, and wants her..

A great story about love. Lost love , postponed love and finally perfect love.

Best Friend's Brothers are the best

By Lynneyloo

I was gifted this as a bonus book in Arrogant Neighbor and I really enjoyed it. It was fun, sexy and who hasn't been in love with their best friends brother at some time. Good book. I have enjoyed Kiri Ward's writing immensely.
