TENSE

By Molly Gambiza

I read book one 'Living with Killers' and quite enjoyed it. I had to know what happened to Rachel, Blake
and that slippery Greg. Greg is one character I wouldn't want to meet but he makes this story very
interesting, its so tense and hard to know what's going to happen next. It's had to trust anyone including the
police or your own father. But will Blake find Rachel? The poor girl tangled with killers, Rebels and Liars.
Adam Nicholls is a talented crime writer.

I thoroughly enjoyed Running with Rebels, I am now moving on to part three 'Living with Liars' I have to
know what happens next.....

I loved this book

By rocking mom

I loved this book. This book had action, drama and mystery. I am going to read the other books in this series.

This book would make a great action movie. This book reminded me of James Patterson's Alex Cross series.

I like this type of book/story genre.
