Married Red Pill: Start with this book

By Jakob

This book has structured the process and provides a reading list of essential books. I'd probably be farther ahead in my own development, had I read this book first.

Master plan to bringing marriage back to life

By RNunz

So one day you wake up and realize that despite providing, dutifully helping and being a supportive partner/parent you feel taken for granted and effectively friend zoned by your own wife, long gone was your passionate girlfriend and here is the nagging frumpy wife that cannot be pleased despite of whatever you do, she loves you but is not "in love" with you.

you Jump through all the hoops and checklist that are made as conditions for intimacy and when you think she is please then more condition appears. You sense something is very wrong but you keep trying the old stuff of listening, catering and being supportive.

Is this the rest of your married life for the next 20,30,40 years.? Should you walk away? What assurances you have it won't repeat with next partner?

BPP has come with this book that answers this and other questions that you did not know you had, gives you an overarching scheme of how make yourself back to the man she felt in love or better, is not a read-it-and-fix-it guide but a blueprint with more books to read to complement the point

Main points here is

**YOU HAVE TO MAKE THE WORK FOR THIS TO WORK**

YOU CAN ONLY CONTROL YOURSELF  
CHANGES WILL HAPPEN, YOU WILL BE MORE FULFILLED, EMPOWERED AND ATTRACTIVE  
(TO WIFE/ OTHERS)

I wish a book like this existed years ago, I had done the work backwards like BPP reading blogs, articles and recommended books without a tying all together guide like this. I bought this book as a token of appreciation to the work here and in MRP that BPP had done.

\$5.99 is a gift , you spend more in gas going to the Husband inquisitor ( sorry, I mean marriage counselor) so he can shame you in blame you for feeling the need to have a loving and sexual wife, where is right is that is your fault, either you whine about or do something about it, your choice is reading a guide that is not more expensive than a Latte!

If I could be back in time to advice in Marriage a younger self I would deliver Saving a low sex Marriage from BPP, Married Man Sex Life by Athol Kay, No more Mr. Nice guy by Robert Glover and would save me a lot of unnecessary suffering and pain from my marriage.

Stop Reading and buy this book now, IT WORKS

There is areas you might agree or disagree but it works, read all and take what fits you.
