## SCUM MANIFESTO BY VALERIE SOLANAS PDF

The presence of the on-line publication or soft file of the **Scum Manifesto By Valerie Solanas** will alleviate people to obtain the book. It will certainly likewise save even more time to only search the title or author or publisher to get till your book Scum Manifesto By Valerie Solanas is disclosed. Then, you can visit the web link download to visit that is offered by this website. So, this will be an excellent time to start appreciating this publication Scum Manifesto By Valerie Solanas to review. Consistently good time with publication Scum Manifesto By Valerie Solanas, always great time with money to spend!

### Review

“The SCUM Manifesto is a document of profound vulnerability, written in a voice of profound empowerment. It’s a brutal call to arms, written by a woman in a world of hurt. This tension between powerlessness and power makes it an enduring piece of writing. Never have the personal and the political been so mercilessly zipped together, like little steel teeth.”

—Claire Dederer, Nation

“Solanas is as relevant today as she was in the 1960s, because nothing much has changed for women.”

—Julie Bindel, Spectator

“You either happen to think this is a work of unadulterated genius, or you dismiss it as the ravings of a loony psycho-bitch, not understanding that this is exactly what makes it so compelling and so charged with insight.”

—Suzanne Moore, New Statesman

“Valerie Solanas wrote a very angry and very precise portrait of what she considered the male to be: something between a human and an ape; an unresponsive blob only concerned with physical sensation and without the capacity for empathy or self-knowledge or intimacy, and at the same time full of hatred and jealousy and shame and guilt. Her description is beautiful and on some level, I think, entirely accurate.”

—Nick Cave

“Its nihilism is a form of utopia for Solanas, a pre-punk aesthete who fearlessly tossed out ideas that people are just now beginning to raise ... As a mixture of social philosophy and fine shtick, her work has the rare virtue of seeming at the same time totally insane and totally right.”

—Los Angeles Times

“As Solanas reminds us, revolutionary ideas don’t emerge quietly from the elite stratum of a society; they often bloom from its scum.”

—Dissent

“Gleefully incoherent, crackling with energy.”

—Bookslut

“Articulate, angry and funny.”

—Guardian

From the Trade Paperback edition.

Just what do you do to start checking out **Scum Manifesto By Valerie Solanas** Searching the e-book that you like to read first or locate an interesting publication Scum Manifesto By Valerie Solanas that will make you wish to review? Everybody has distinction with their factor of reading a book Scum Manifesto By Valerie Solanas Actuary, reading habit should be from earlier. Lots of individuals could be love to check out, however not an e-book. It's not mistake. A person will be tired to open the thick book with small words to review. In more, this is the actual problem. So do happen possibly with this Scum Manifesto By Valerie Solanas

If you desire really get guide *Scum Manifesto By Valerie Solanas* to refer now, you have to follow this page always. Why? Keep in mind that you require the Scum Manifesto By Valerie Solanas resource that will provide you best assumption, do not you? By visiting this website, you have started to make new deal to always be up-to-date. It is the first thing you could begin to get all take advantage of being in a website with this Scum Manifesto By Valerie Solanas and other collections.

From currently, finding the completed website that sells the completed publications will certainly be lots of, but we are the trusted website to see. Scum Manifesto By Valerie Solanas with simple web link, easy download, as well as finished book collections become our better services to get. You can discover as well as make use of the benefits of selecting this Scum Manifesto By Valerie Solanas as everything you do. Life is always creating and also you need some new book [Scum Manifesto By Valerie Solanas](#) to be referral always.

# SCUM MANIFESTO BY VALERIE SOLANAS PDF

SCUM Manifesto was considered one of the most outrageous, violent and certifiably crazy tracts when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published this work just before her rampage against the king of Pop Art made her a household name and resulted in her confinement to a mental institution. But the Manifesto, for all its vitriol, is impossible to dismiss as just the rantings of a lesbian lunatic. In fact, the work has indisputable prescience, not only as a radical feminist analysis light-years ahead of its time predicting artificial insemination, ATMs, a feminist uprising against under-representation in the arts but also as a stunning testament to the rage of an abused and destitute woman.

The focus of this edition is not on the nostalgic appeal of the work, but on Avital Ronell's incisive introduction, "Deviant Payback: The Aims of Valerie Solanas." Here is a reconsideration of Solanas's infamous text in light of her social milieu, Derrida's "The Ends of Man" (written in the same year), Judith Butler's *Excitable Speech*, Nietzsche's *Übermensch* and notorious feminist icons from Medusa, Medea and Antigone, to Lizzie Borden, Lorena Bobbit and Aileen Wournos, illuminating the evocative exuberance of Solanas's dark tract.

By catch22

I was using this for research on a short story I was writing. It did have some interesting takes and was an interesting read.

5 of 29 people found the following review helpful.

**She Had A Reason For Wanting To Cut Up Men!**

By Uber Duck

Valerie Solanas was a radical feminist and a Lesbian. She had very specific ideas about society, culture, the gender programming between the sexes and Andy Warhol. She shot Andy after she wrote the Manifesto. But in many ways he was a contributor to her philosophy and that of the Society For Cutting Up Men. (S.C.U.M.)

Valerie shot Andy Warhol in 1968. She died 20 years later of emphysema and pneumonia in the Bristol Hotel in San Francisco California. She was 52 years old.

Troubled as she was she possessed a keen insight into the human condition. Especially responsible for this impression on her personal experience was Men. Humans are essentially selfish, self-absorbed and vicious. Valerie knew that first hand. Had she been tested I have no doubt she would have registered a genius IQ. As it is many see her as having died as a worthless indigent junkie Dyke. While nothing could be further from

the real truth.

Valerie was rich in the human experience. She was keen to the tricks of the trade in human politics and social conscience. And she shot Andy Warhol because he deserved it and so as to make them both famous in that immortal meeting between the minds of two spirits that saw this world as something more and far less than the plastic bloated facade that lives to this day thinking itself an example of civil~ization.

Rest in Peace Valerie. And thank you for the wisdom, page after page. (Yes dear reader you have to look deeper to see past the scum.)
