This *The Haitian Revolution: A Documentary History From Hackett Publishing Company, Inc.* is very proper for you as beginner user. The viewers will certainly always begin their reading habit with the favourite motif. They could not consider the writer and also publisher that create the book. This is why, this book *The Haitian Revolution: A Documentary History From Hackett Publishing Company, Inc.* is actually right to review. However, the idea that is given up this book *The Haitian Revolution: A Documentary History From Hackett Publishing Company, Inc.* will show you lots of points. You can start to enjoy also checking out up until completion of the book *The Haitian Revolution: A Documentary History From Hackett Publishing Company, Inc.*

Review

"Not only the best source-book [on the topic] available in English, but also an excellent model of research and interpretation. Geggus's concise account of the Revolution is clear, efficient, and remarkably free of the usual mythologies, hagiographies, and demonizations, while his excellently selected documents outline the story very well on their own. . . . ideal for students who want to learn how the craft of recording history is practiced." --Madison Smartt Bell, Goucher College

"This broad-ranging selection of primary-source documents about the Haitian Revolution, based on David Geggus's unmatched knowledge of the subject, is an important resource for both students and readers already familiar with the topic. Students will learn about the conditions that drove slaves and free people of color to revolt in 1791; even scholars in the field will discover new sources and new perspectives on familiar passages." --Jeremy D. Popkin, University of Kentucky

"A phenomenal resource. . . [This book] provides a clear and compelling introductory essay and a wonderful array of revealing documents, many drawn from Geggus's own thorough research in multiple archives in Europe and the Americas." --Ada Ferrer, New York University

About the Author

David Geggus is Professor of History, University of Florida.

THE HAITIAN REVOLUTION: A DOCUMENTARY HISTORY FROM HACKETT PUBLISHING COMPANY, INC. PDF

"A landmark collection of documents by the field's leading scholar. This reader includes beautifully written introductions and a fascinating array of never-before-published primary documents. These treasures from the archives offer a new picture of colonial Saint-Domingue and the Haitian Revolution. The translations are lively and colorful." --Alyssa Sepinwall, California State University San Marcos

A Vital Resource

By abcphd

This is a vital resource for academics studying the Haitian Revolution or anyone interested in learning more about this fascinating period of history. Geggus provides faithful translations of original documents -- an

invaluable resource for those who want to work with primary sources but don't read French fluently, or who don't have access to archival materials.

This book makes history come alive! So often when we read about history we feel the distance, but these original sources put you right on the sidelines of the Haitian Revolution. Geggus provides brief but helpful descriptions of each document to contextualize it, but lets the documents themselves take precedent over his own commentary. As an academic with a strong interest in Haitian history, this book has become absolutely indispensable.
