And guide with the title The Hunchback Of Notre Dame By Victor Hugo is the recommendation now.

About the Author

The best-known of the French Romantic writers, Victor Hugo was a poet, novelist, dramatist, and political critic. Hugo was an avid supporter of French republicanism and advocate for social and political equality, themes that reflect most strongly in his works *Les Misérables*, *Notre-Dame de Paris* (The Hunchback of Notre-Dame), and *Le Dernier jour d'un condamné* (The Last Day of a Condemned Man). Hugo's literary works were successful from the outset, earning him a pension from Louis XVIII and membership in the prestigious Académie française, and influencing the work of literary figures such as Albert Camus, Charles Dickens, and Fyodor Dostoevsky. Elevated to the peerage by King Louis-Philippe, Hugo played an active role in French politics through the 1848 Revolution and into the Second and Third Republics. Hugo died in 1885, revered not only for his influence on French literature, but also for his role in shaping French democracy. He is buried in the Panthéon alongside Alexandre Dumas and Émile Zola.

A Good Story Line

By George

I thought the plot was excellent. The reason I didn't rate the book higher was because I felt that Victor Hugo got too involved in details that were not particularly relevant. I almost gave up reading this novel a couple of times because I was getting swamped with all the minutia. I'm glad I stayed with it but will think twice about reading other Victor Hugo novels

A Parisian Love Story Set 520 Years Ago

By SwRZ

If you like *Les Misérables*, and you've visited Paris and ascended and descended the corkscrew stairways of Notre Dame's giant bell towers, you will find enjoyment in this classic tale.

The Hunchback of Notre Dame Redux

By Alice Dietrich

The second reading of this great classic does not disappoint. On the contrary, it opens up other avenues of thought. When one re-reads a book some fifteen years later, one is bound to have a different reading between the lines. One's point of view, understanding, and personal interpretation of the author's work change over the years. In this case, I nevertheless found it as deep, interesting, informative, and riveting as when I first read it.

I would recommend it to anyone who is looking to read a fascinating and exciting work written by a master of the pen. A must read for all Francophiles.
