# THE PROMISE: SEVEN WONDERS JOURNALS BY PETER LERANGIS PDF

From the lost journals of the New York Times best-selling Seven Wonders series comes the story of how Atlantis came to rest at the bottom of the sea.

Follow the threads of history back to ancient times. Two Atlantean princes, Karai and Massarym, obsessed with power and terrified of the mysterious Loculi, turned against each other in a bitter rivalry. With the future of the world at stake and nowhere to turn for guidance, the 14-year-old brothers chose fear over trust, deception over truth, and violence over brotherhood, and they changed the course of history forever.

In this final installment of the Seven Wonders Journals, dive into the heart of the mystery that started it all before the adventure concludes in *Seven Wonders: The Legend of the Rift*, the fifth and final book in the New York Times best-selling adventure series by Peter Lerangis, author of hundreds of books, including three titles in the 39 Clues series.

Humorous with important details

By Stephen L. Hamilton

This has humor,? and provides some great details that pertain to the main Seven Wonders books. It was a little boring to me, being in diary form as it was, but I would definitely recommend reading it if you like the Seven Wonders series.
