An excellent , finely detailed account of child sexual molestation

By robfranjo

A disturbing but riveting work by an enormously talented writer who is not afraid to delve deeply into the subject of child sexual abuse to give a well rounded account of a sexual predator and his seductive relationship with a vulnerable yet agreeably accesible child. Ms Fragoso is a writer of the first rank who gives a very moving, non-judgmental and marvellously courageous account of a controversial subject.

Love Thy Neighbor

By Mohawk

This is a remarkable story both tragic and triumphant of how one innocent girl was able to turn from victim to victor.
